

Megha Engineering & Infrastructures Limited

Leading Infrastructure & Manufacturing Group

1 Overview of MEIL Group

Presence across diverse sectors

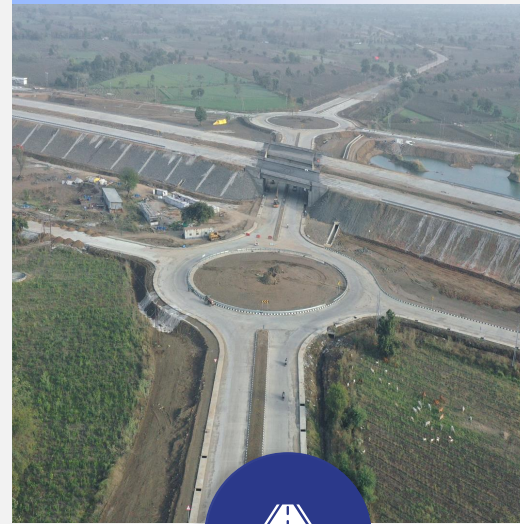

Irrigation

Drinking Water

Highways

Manufacturing

Communication

Ports

Power

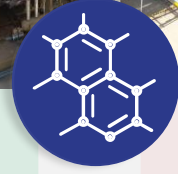

Renewables

E-Mobility

Hydrocarbons

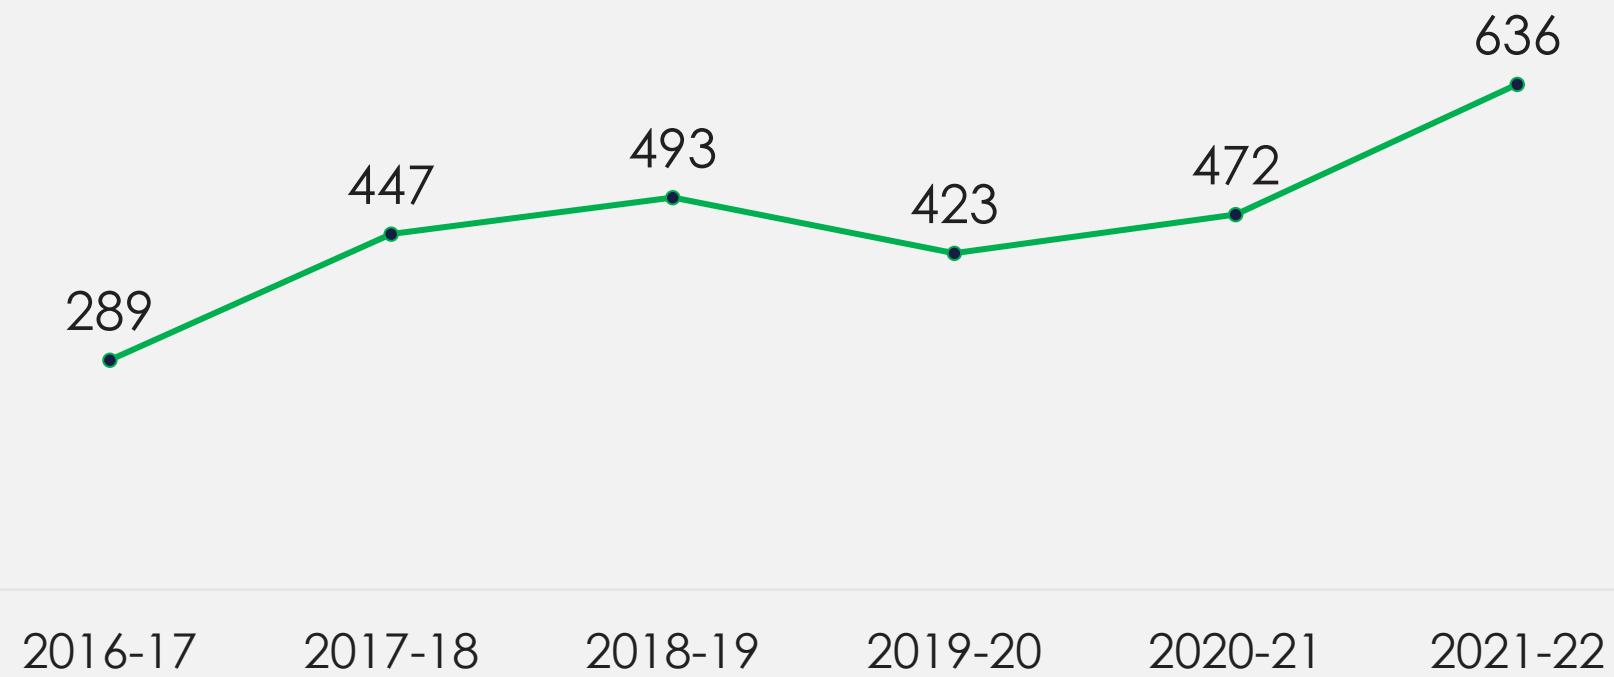

Presence in 20+ countries

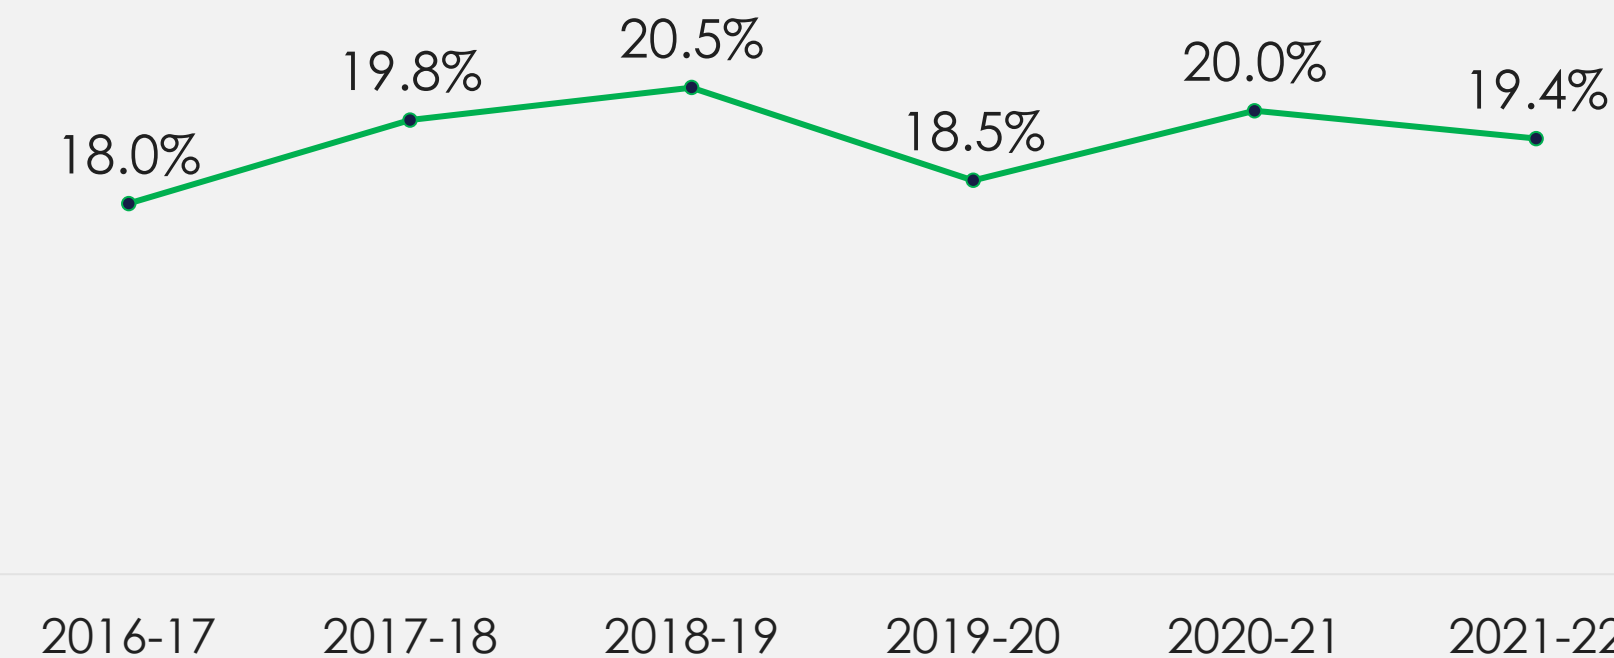

Strong financials

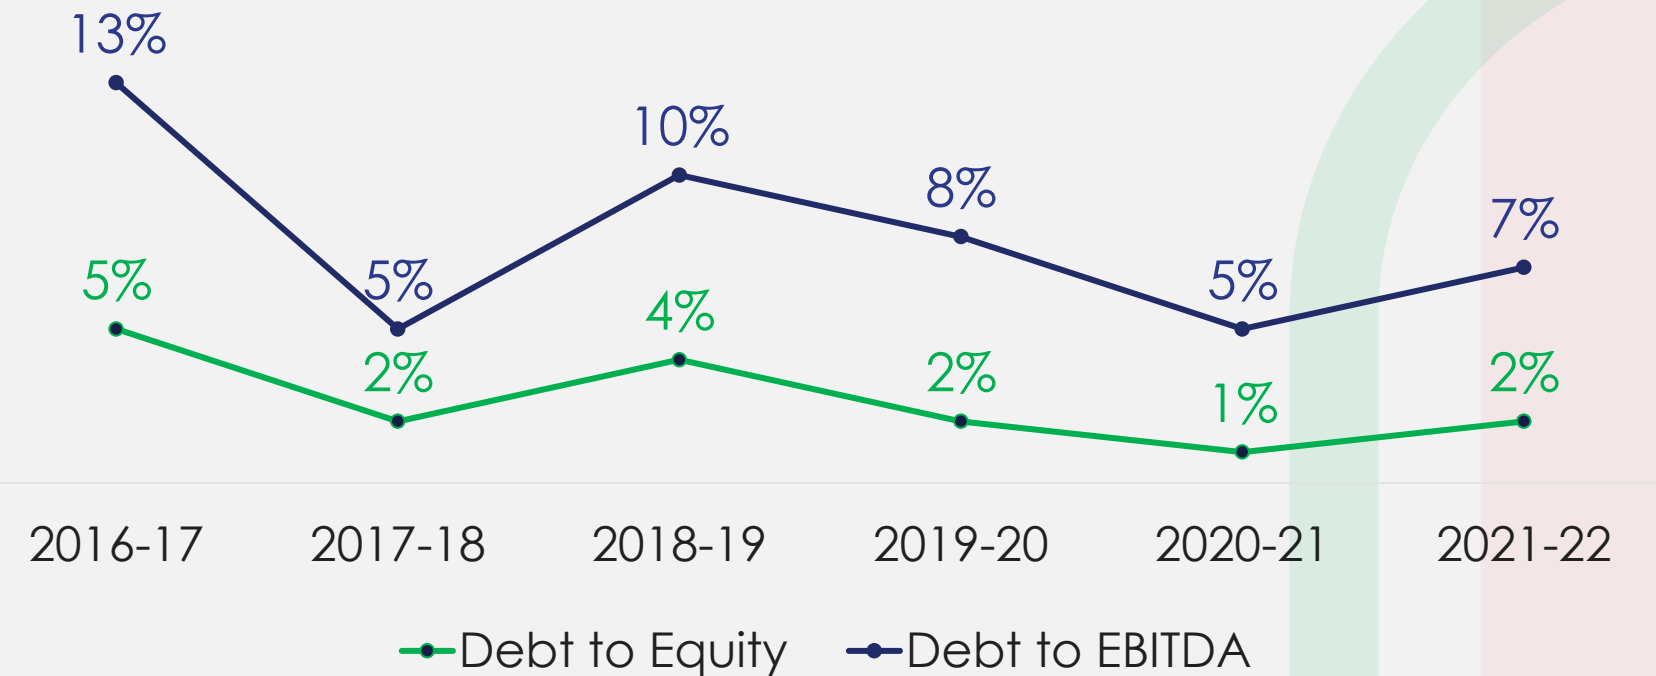

EBITDA (USD Mn)

EBITDA margin (%)

Near zero leverage

Robust Credit Rating

AA

Long-Term credit rating

A1+

Short-Term credit rating

Note: USD to INR – 1:81; Source: Audited standalone financials of MEIL

2

Expertise & credentials

2.1 Major Infrastructure Projects

Irrigation

Kaleshwaram Lift Irrigation Project

- World's largest multi-stage lift irrigation
- Water is lifted to a height of 600 mts. MSL
- Irrigates 3.7 million acres

Ramthal Automated Drip Irrigation

- Asia's largest community-based automated drip irrigation project
- 2,127.46 km pipeline network

Polavaram Irrigation Project

- World's largest spillway @1.18 km long
- Ability to withstand floods up to 50 lakh cusecs
- Irrigates 2.4 million hectares

Drinking Water

Mission Bhagiratha

- Potable water supplied to 7 million families
- Mitigates Fluorosis & prevents water-borne diseases covering 35 million people

Godavari Drinking Water Supply

- Asia's largest (735-MLD) water treatment plant
- Supplies 735 million Liters of water / day to the city of Hyderabad with population of over 12 million.

Bhubaneswar Bulk Water Supply

- 7 reservoirs with capacities ranging upto 2,250 KL
- Caters to the needs of industries, municipalities and educational institutions

Highways & Tunnels

Zojila Pass Tunnel

- All-weather road connectivity tunnel between Srinagar and Ladakh at a height of 14,000 ft.
- The U-shaped tunnel is 9.5 meters wide ,7.57 meters tall & 18 km long in upper Himalayas

Maharashtra Samruddhi Maha Marg

- 760 km access controlled 8 lane expressway connecting Nagpur to Mumbai

Delhi-Amritsar-Katra Expressway

- 44.6-km 4 lane stretch between Pathankot Gurdaspur Rd NH54 & Hiranagar Rd

2.2 Manufacturing

Engineering Products

Pressure Vessels

Fabrication

GRP & GRE Pipes

- ✓ Manufactures world-class Pipes, Pressure vessels, Heavy equipment fabrication, Surge protection equipment etc.
- ✓ First plant in South India to manufacture Glass Reinforced Polyester (GRP) pipes & API monogram Glass Reinforced Epoxy (GRE) pipes

Electric Vehicles – Olectra Greentech limited

Existing Portfolio

E-Bus - 7m

Type I

Luxe

E-Bus - 9m

Type I

Type II

E-Bus - 12m

Type I

Type II
Tarmac

E-Bus Coach

Type III

Pioneer & largest e-bus manufacturer in India

750+ buses on road

3000 + buses order book

10,000+ capacity plant under construction

Impact: 76,000 MT of CO₂ emissions avoided (equivalent to planting 35 lakh trees)

Upcoming Products

Continuous Innovation - Olectra Electric Truck

- ✓ Under homologation process
- ✓ 220 km range on a single charge
- ✓ Capable of managing gradeability of >25%

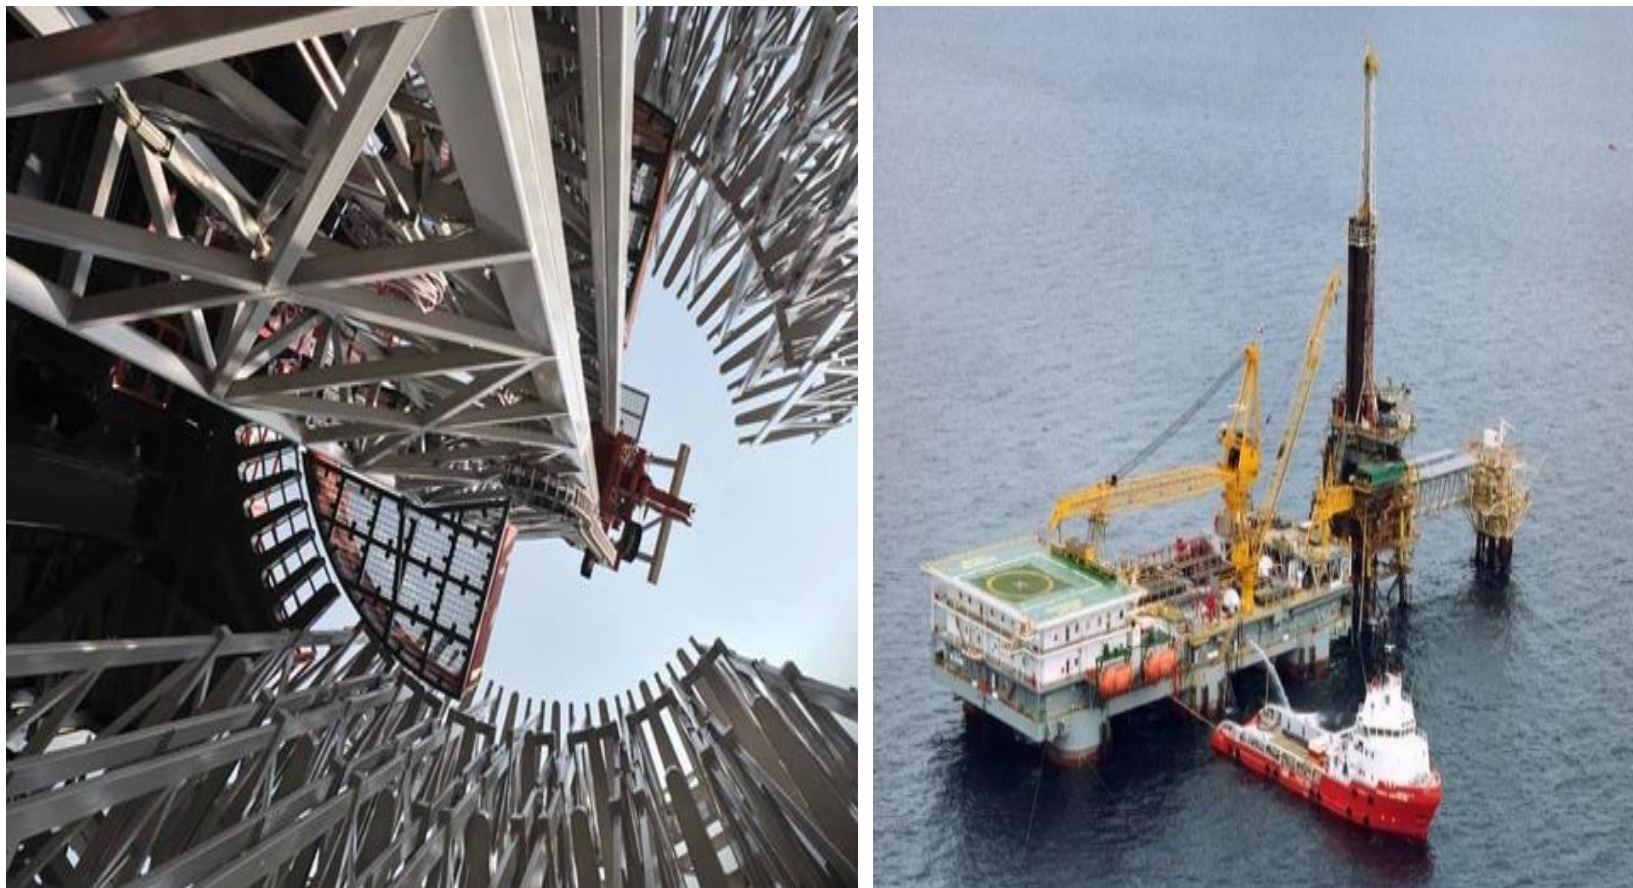

Drilling Rigs

Acquired Italian oil & gas drilling rigs manufacturing & services firms – Drillmec and Petreven

Oil & Gas drilling rig manufacturers

International leader in design, manufacturing and maintenance of drilling and workover rigs for onshore and offshore applications & a wide range of drilling equipment

Advanced drilling rigs operator

Drilling operations company with experience and reputation for providing integrated services in oil and gas sector

2.3 Energy

Conventional Energy

Tuticorin Thermal Power

- ✓ Capacity – 525 MW
- ✓ Commissioned - April 2022
- ✓ State-of-art-technology
275 m. high chimney to mitigate pollution

WUPPTCL - Transmission Infra

- ✓ 1,116 circuit kms of power evacuation infra
- ✓ 765 KV substation (largest by a private developer), 400 KV Gas Insulated Substation

Gas Insulated Substation

- ✓ Gas Insulated Substation (GIS) in Hyderabad

Hydro Energy

Polavaram Hydro Power project

- ✓ 960 MW Project Capacity
- ✓ Integral part of Polavaram Irrigation Project
- ✓ Spread over an area of 107 hectares

Ladbath Hydro Power project

- ✓ 25 MW run-of-the-river project
- ✓ Under construction in a critical geographical location

Rattle Hydroelectric project

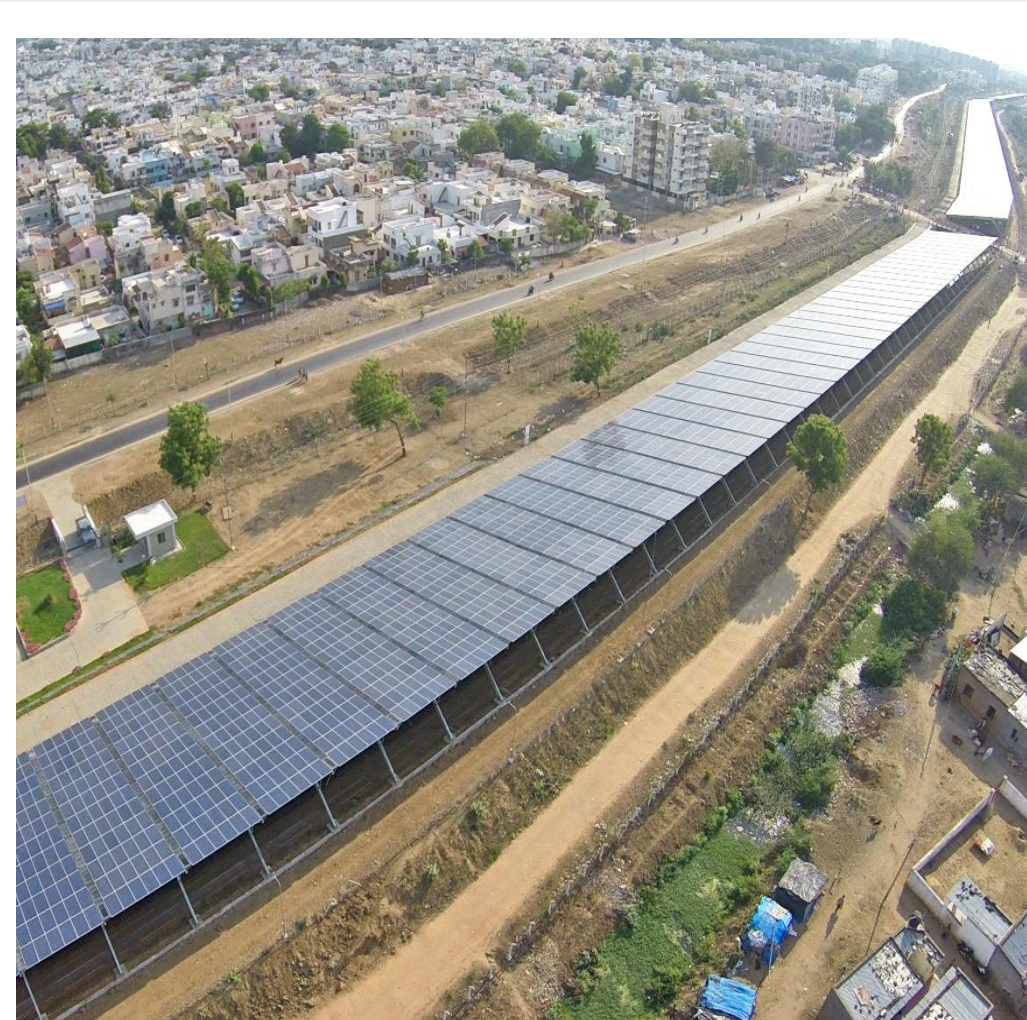

- ✓ 800 MW run-of-the-river project on river Chenab in Jammu & Kashmir

Renewable Energy

Sakri Solar Power Plant

- ✓ 50 MW Project
- ✓ Crystalline technology using photovoltaic cells

Canal Top Solar Power Project

- ✓ 10 MW Solar Project
- ✓ First canal top project in India
- ✓ Listed in KPMG's 100 innovative projects

Concentrated Solar Power Plant

- ✓ 50 MW Concentrated Solar Thermal plant
- ✓ Only such plant in South India

2.4 Hydrocarbons

Presence across the value-chain

Exploration, Production & Processing

- ✓ Drilling Rigs & Service
- ✓ Gas Processing & Compression
- ✓ Crude Processing
- ✓ Refineries
- ✓ Oil Effluent Treatment

Transport & Storage

- ✓ Oil & Gas Pipelines
- ✓ Storage Tanks

Distribution & Utility

- ✓ Combined Heat and Power (CHP) Service
- ✓ Gas Distribution network- CGD

Onshore & Offshore drilling rig manufacturing & services

Manufacturing of drilling rigs & equipment

Presence across 60 countries

4 manufacturing facilities- USA, Italy, Belarus, India

USD \$ 1.2 billion order book

500+ drilling rig packages delivered

2000+ employees on payroll

Drilling services, O & M for drilling rigs

Presence across 8 countries

Operations with 21 rigs

3300+ wells drilled

465 employees on payroll

1.63% lowest non productive time

City Gas Distribution (CGD)

22

Geographical Areas

10.1 %

Area

6.65 %

Population covered

USD
5.0 Bn.

Estimated CAPEX

~12.5
million

Household Connections

3,000

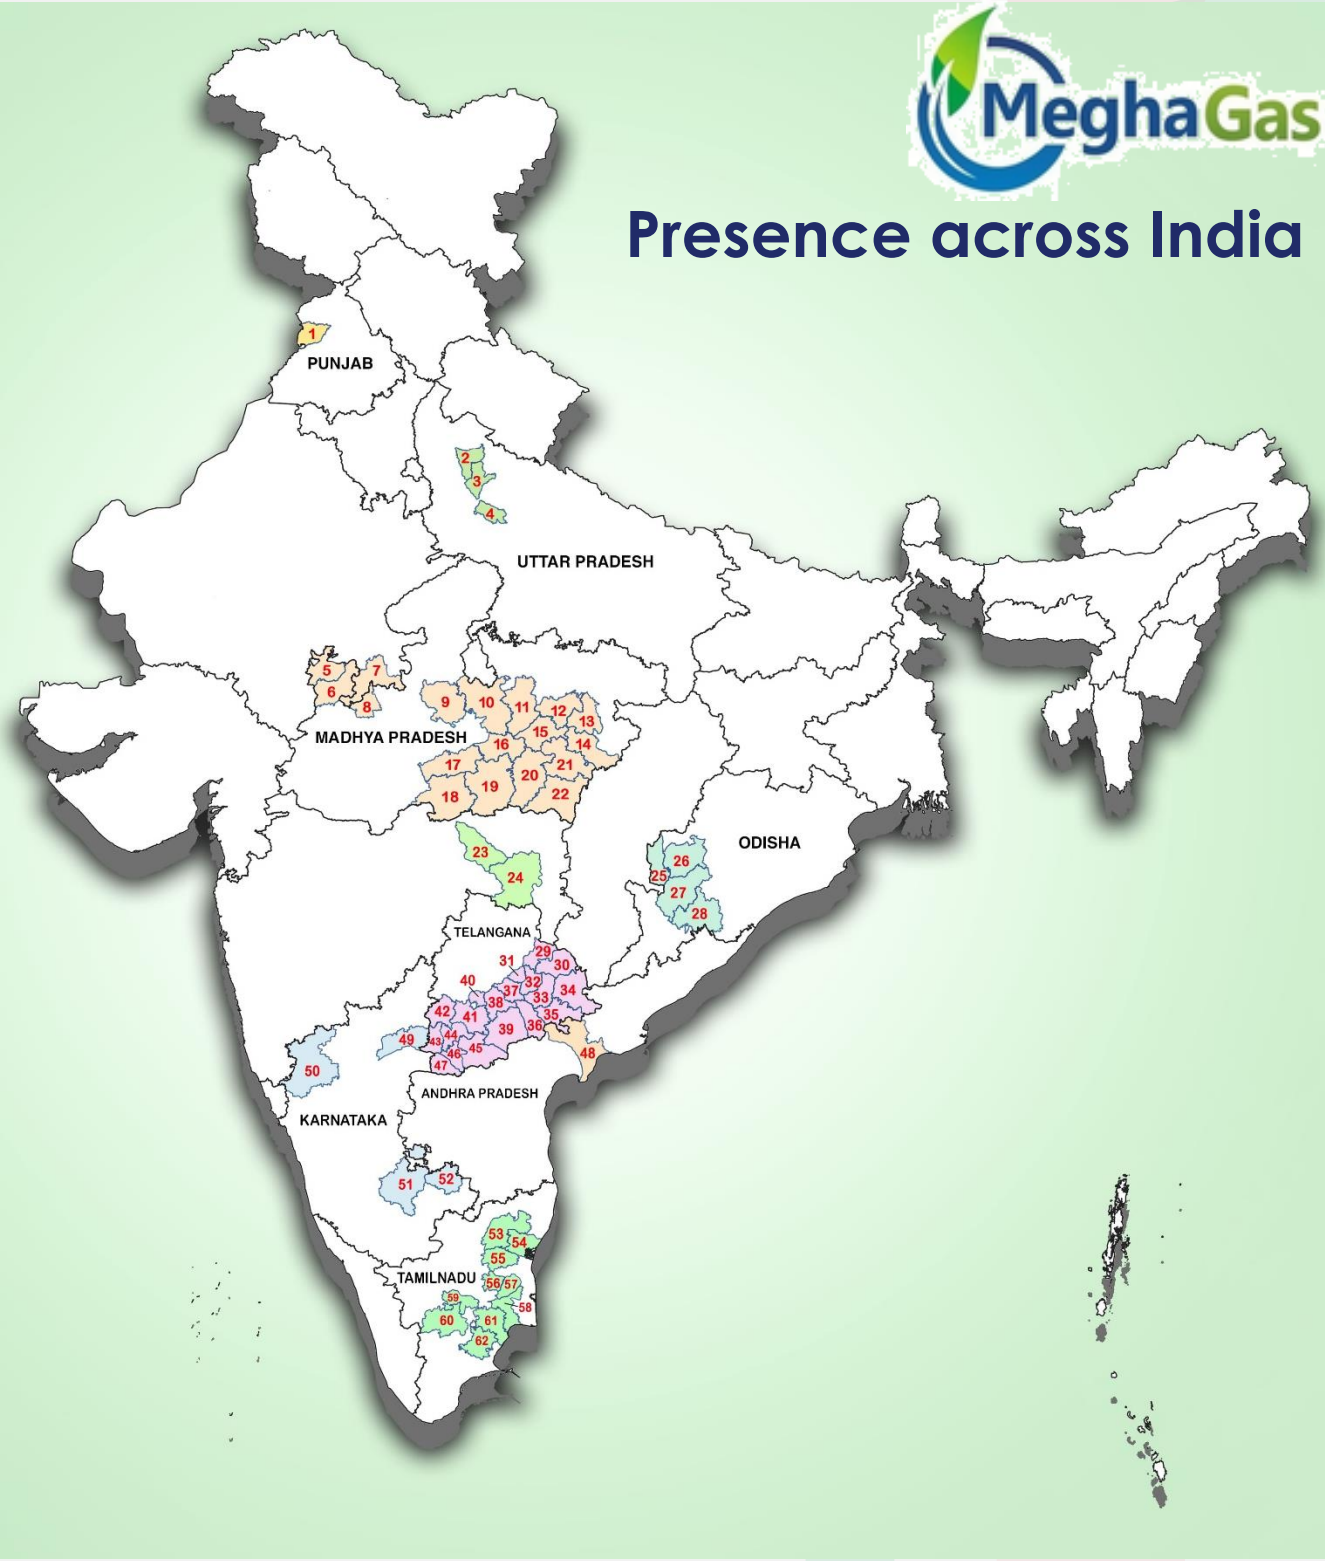

CNG Stations

5,492 km

Steel pipeline

32,952 km

MDPE pipeline

Execution of Refinery projects

2022

First Oil Refinery in Mongolia

USD 790 Million

- ✓ MEIL to construct first Oil Refinery in Mongolia as a part of Government of India's Development Partnership programme.

2016

Mega Tank Construction at Al-Zour Refinery-KIPIC, Kuwait

USD 230 Million

- ✓ MEIL built 66 storage tanks with 60M dia to 78 M dia capacity for KIPIC, Kuwait

2021

Refinery Projects – HPCL & IOCL

USD 2708 Million

- ✓ MEIL is executing major projects in the refinery sector from HPCL & IOCL (Indian central PSUs)
- ✓ Projects expected to be completed by 2024.

Marquee projects in Hydrocarbons Sector

..1/2

Gas Based Power Plant APC Jordan

2022

USD 225 Million

- ✓ 111 MW gas based power plant with 58 MW steam turbine
- ✓ 54MW gas-based power plant at Jordan running successfully since 2018

Largest Rigs Order from ONGC

2019

USD 836 Million

- ✓ Supply of 47 oil and fuel extraction rigs for Oil & Natural Gas Corporation Ltd. (ONGC- Indian Central PSU)

ONGC- Assam Renewal Project

2008

USD 600 Million

- ✓ Largest EPC Order from ONGC- involves execution of oil and gas supply pipelines using cutting-edge technology to reduce carbon emissions

Marquee projects in Hydrocarbons Sector

..2/2

Gas Processing Project at Raageshwari Gas Terminal

2018

USD 125 Million

- ✓ Early Gas Processing Facility with Feed and Export Gas compressors including all ancillaries and utilities

Barmer Drilling Project

2018/
2021

USD 20 Million

- ✓ Drilled wells of 3800 mts in 27 days for 130 wells
- ✓ Project completed within scheduled completion time

Aishwariya & Bhagyam Oil fields

2019

USD 100 Million

- ✓ Surface facility upgradation of 66 wells in Aishwariya & Bhagyam fields

3. Future growth businesses for MEIL

At the forefront of transition to frontier tech

Setting up
integrated solar
PV module
manufacturing

Manufacturing state-
of-the-art EV's for
transition to green
mobility

3000 **CNG gas**
stations & eV
charging stations
across India

State of the art
technology for the
development
of **Green Hydrogen**

CERTIFICATE

Megha Engineering & Infrastructures Ltd (Founded in 1989) from Hyderabad, Telangana, India, achieved a Rare Distinction and created a National Record by constructing a Substation (NP Kunta 400/220 kv Substation for the Central Power Transmission Utility) in Record Number of Days (only in Seven Months) on April 25, 2016.

Date: April 23, 2018

Megha Engineering & Infrastructures Ltd is registered with the Government of India with PAN no. HARENG2011A0093
Asia Book of Records is an official World Record University and follows International Protocol of Records (IPR)
The book is published and sold at the direction of the Chief Editors of National Record Books, Ho Chi Minh City, Vietnam.

Limca Book of Records

National Record

Pattiseema (Pattisam) Lift Scheme linking Godavari and Krishna rivers in Andhra Pradesh was developed by Hyderabad-based Megha Engineering & Infrastructures Ltd within a year from March 30, 2015 to March 29, 2016, making it the first and fastest such irrigation project in the country to be completed in time and without any budget enhancements. The first pump was commissioned in just 173 days – on Sept 18, 2015! The project also has one of the largest pump houses in Asia with 24 pumping units. The pumps deliver water drawn from River Godavari at Pattiseema to Polavaram Irrigation Project for the benefit of farmers in Krishna River Delta.

Vijaya Ghose
Editor, Limca Book of Records

"LIMCA BOOK OF RECORDS" IS THE COPYRIGHT OF THE COCA-COLA COMPANY. "LIMCA" IS THE REGISTERED TRADEMARK OF THE COCA-COLA COMPANY.
THIS CERTIFICATE DOES NOT NECESSARILY DENOTE AN ENTRY INTO LIMCA BOOK OF RECORDS.

4. Key Accomplishments

MEIL value proposition

1

Global Presence with Strong understanding of Local Markets

- ✓ MEIL has successfully completed projects globally with 4000+ project sites & 300,000 workforce in field
- ✓ Deep understanding of diverse national contexts by virtue of presence across geographies
- ✓ Strong relations across the globe. MEIL in a favorable position to facilitate ease of doing business through easy approvals etc.

2

Strong Track Record in timely execution of Complex Projects

Select achievements / projects

- ✓ Kaleswaram: World's largest lift irrigation project.
- ✓ Canal top Solar Project: KPMG's top 100 innovative projects globally (2016)
- ✓ NP Kunta Project, AP: Limca Book of Records and Asia Book of Records for 'fastest executed substation project'
- ✓ Pattisema river linking project: Limca Book of Records 2016 for fastest executed irrigation project

3

Large Investment Capacity and Appetite

- ✓ USD 5 billion turnover
- ✓ EBIDTA Margin: ~20%
- ✓ 5-year CAGR : 11% (revenues)
- ✓ Debt to Equity Ratio: 0.02 (MEIL Company)

Distinguished Awards & Accolades

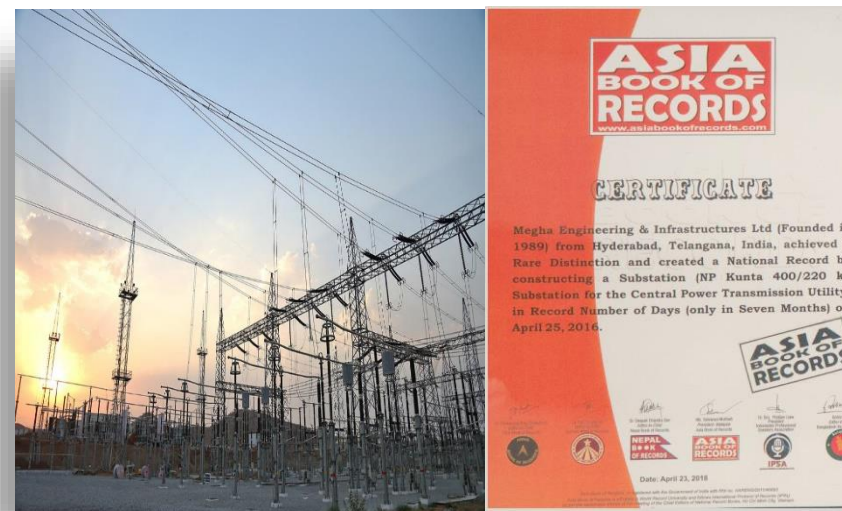

Canal Top Solar Project 2014

KPMG – Top-100 innovative projects

- ✓ 10 MW Canal-top Solar PV Project built by MEIL in Vadodara Gujarat
- ✓ Hailed by KPMG as Top-100 innovative projects in the world for the year 2014.

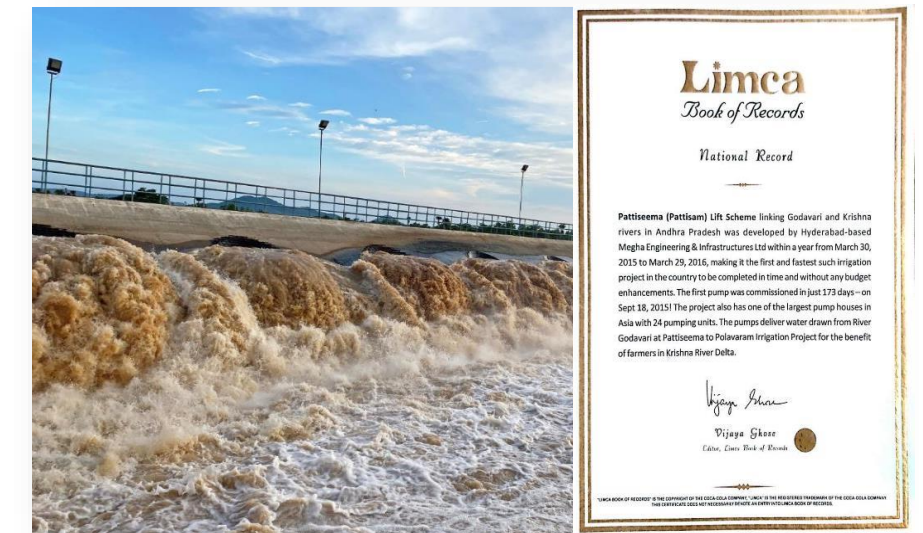

Fastest Execution of Sub Station 2018

Featured in Asia Book & Limca Book of Records

- ✓ 220/400kv NP Kunta Project in Andhra Pradesh executed in record time of 8 months.

Fastest Executed Project in India 2015

Pattiseema River Linking Project

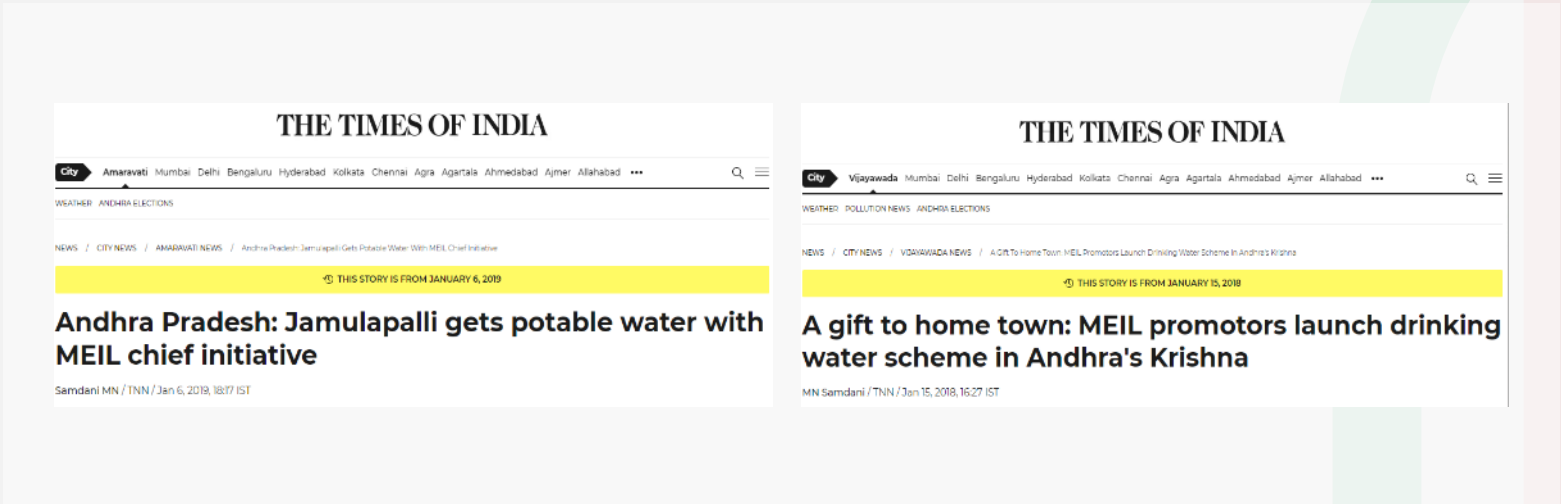

- ✓ Developed the first river-linking project in India,
- ✓ Executed within an year
- ✓ Lifts 80 Tn. cubic feet of flood water in a span of 110 days

Creating Social and Environmental Impact

Benefitted more than **37 million farmers** across India

Access to clean drinking water for more than **12 million people**

Reduction in more than **16,000 MT of CO2** through electric buses

Provision of clean cooking fuel to more than **2,50,000 households**

Thank You
